

WHAT IS A LOCAL HOST®, AND WHY WILL TRAVELERS LOVE HAVING ONE?

Accessible throughout the stay, the Local Host greets travelers as soon as they arrive at their hotel—or at the airport if they have an airport transfer.

HOW CAN THE LOCAL HOST HELP?

We've identified the top 10 questions travelers have when arriving in a new destination. The Local Host will be ready, willing, and able to answer these questions (and provide a lot of other useful information, as well).

- Which attractions and sites are nearby—and which are within walking distance?
- What's the best way to get around?
- Where and how do I exchange money?
- Where's a convenient place to get water, snacks, etc.?
- Can you explain the local tipping customs?
- Is there Wi-Fi/Internet access in the hotel/lobby, and how do I access it?
- What should I wear for sightseeing and excursions?
- Are there any special amenities or features at the hotel I should know about?
- Is there a pharmacy nearby?
- What safety or security tips should I be aware of?

CHOOSE A BETTER WAY TO TRAVEL

Vacations should create happiness. That's the theory, anyway. Unfortunately, theory doesn't always translate into reality. The truth is, there are good ways and not-so-good ways to travel. Monograms provides a better way.

HOW?

- **No hotel stress.** Why simply dream of the world's greatest sites when you can wake up right next to them? Monograms hand-selects great hotels known for their central location, amenities, and service.
- **No logistical concerns.** With ancient brushstrokes waiting, who wants to study a map? We arrange transportation from the airport to the hotel, and between cities on first-class trains.
- **No sightseeing remorse.** We're all about viewing, not stewing. That's why we include a half-day guided sightseeing tour in each city—so you don't miss any of the must-see sights!
- **No waiting and no time wasted.** Because standing in the footsteps of legends is so much better than standing in line, we give you special VIP access into the world's most iconic sites and landmarks.
- **No problems.** Why would anyone choose feeling lost over feeling like a local? We introduce you to an onsite Local Host® who can help you make the most of your vacation.
