

Alaska Highlights

July 5-16, 2023

White-capped peaks, arctic-blue glaciers and wildlife galore....you can see it all in Alaska! With this 4 night land tour followed by a 7 night cruise, you will have the opportunity to see Denali National Park up close with some extra time to enjoy the park. After that, enjoy a cruise on Holland America's beautiful ship, Nieuw Amsterdam. See the glaciers and whales or relax on ship and take in some music at B.B. King's Blues Club.....you get to choose your own adventure!

Day 1, Wednesday, July 5: Depart for Alaska. Welcome to "The Last Frontier!" After flying from your home town to Fairbanks, you will have the evening to explore a bit of Fairbanks. Overnight for 1 night in downtown Fairbanks.

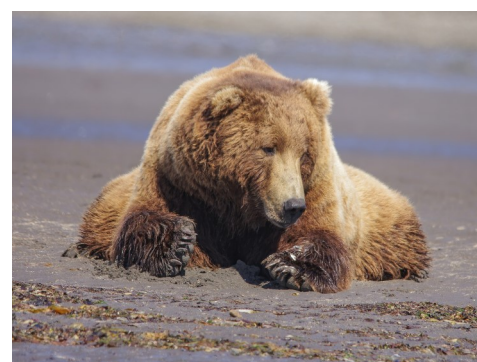

Day 2, Thursday, July 6: Denali National Park. After a step back in time aboard the sternwheeler Riverboat Discovery (with lunch included), it's off to Denali! Denali sits an impressive 20,310 feet above sea level and is the centerpiece of Alaska's interior. Because of Denali's size, it generates its own weather, often meaning it is covered in clouds....only about 30% of visitors actually see the mountain. But with 2 nights in the park, this is your best chance to see the majestic mountain! Overnight for 3 nights at McKinley Chalet Resort.

Day 3, Friday, July 7: Denali. Today is a treat as you join the unforgettable Tundra Wilderness Tour. This 6-8 hour fully narrated sightseeing excursion takes you as far into the park as any tour operator goes, giving you the very best shot of seeing the mountain and Denali's iconic wildlife.

Day 4, Saturday, July 8: Anchorage. This morning, board the domed rail cars of the McKinley Explorer bound for Anchorage. Sit back and relax as you watch the stunning views out your window. And make sure to keep those eyes peeled for wildlife, including moose, bears, eagles and more.

Day 5, Sunday, July 9: Whittier. Enjoy some time in Anchorage before boarding your rail car for a scenic journey along Turnagain Arm before boarding your ship, Holland America's Nieuw Amsterdam. Keep your eyes peeled for Alaska's Big 5: grizzly bears, moose, caribou, Dall sheep and gray wolves.

Day 6, Monday, July 10: Hubbard Glacier. Spend today enjoying all Holland

This afternoon you will enjoy scenic cruising to Hubbard Glacier—North America's longest tidewater glacier.

Day 7, Tuesday, July 11: Glacier Bay. Close your eyes and take in the sounds—the creaks and groans of “living” ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale....this is Glacier Bay! Make sure to bring the binoculars to see glaciers, fjords, inlets, rivers, streams and wildlife galore on your 8 hour visit to Glacier Bay.

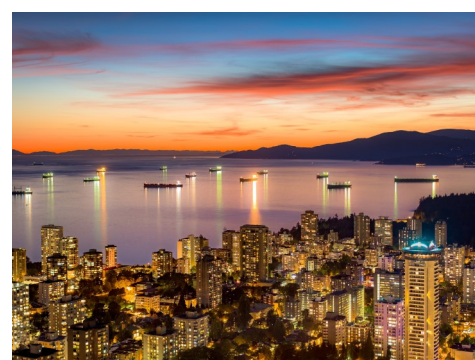

Day 8, Wednesday, July 12: Skagway. At the height of the Klondike Gold Rush, Skagway served as the primary gateway to the legendary gold fields and you can still explore the colorful history, pristine wildlife and unrivaled natural beauty of the town. You have the day free to explore on your own or join one of the optional excursions.

Day 9, Thursday, July 13: Juneau. This sleepy, misty capital city of 32,000 residents is the most remote and beautiful of the state capitals. Surrounded by water, forest and mountains, there is no shortage of activities. Optional excursions include salmon fishing, Mendenhall Glacier and gold panning.

Day 10, Friday, July 14: Ketchikan. Named Alaska's “First City” because it's the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, Ketchikan has long been an important hub for salmon fishing. This is also one of the best spots to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. Learn how to carve totem polls or enjoy a native dance show....the day is yours.

Day 11, Saturday, July 15: Cruising The Inside Passage. You will cap off your adventure with a full day of scenic Inside Passage cruising while enjoying the activities aboard Holland America. Sailing the Inside Passage offers opportunities to spot some of Alaska's most iconic wildlife, with humpback whales and orca playing the bountiful waters, bald eagles soaring overhead and brown bears lumbering on the shoreline.

Day 12, Sunday, July 16: Vancouver and Depart for Home. It is time to say good-bye to this beautiful part of the world. But if you are not ready for the adventure to end, ask your Burkhalter Travel Advisor about extending in Vancouver.
