

# Denali Adventure

June 21-July 2, 2023

*White-capped peaks, arctic-blue glaciers and wildlife galore....you can see it all in Alaska! With this 4-night land tour followed by a 7-night cruise, you will have the opportunity to see Denali National Park up close with some extra time to enjoy the park. And after that, enjoy a cruise on Holland America's beautiful ship, Nieuw Amsterdam. See the glaciers and whales or relax at the space and take in some music at B.B. King's Blues Club.....you get to choose your own adventure!*

**Day 1, Wednesday, June 21: Anchorage.** Welcome to "The Last Frontier!" After flying from your home town to Anchorage, you will have the evening to explore a bit of Anchorage. Overnight for 1 night in downtown Anchorage.

**Day 2, Thursday, June 22: Denali.** Sit back, relax and enjoy the scenery as you travel by motorcoach to Denali National Park (lunch stop included). Denali sits an impressive 20,310 feet above sea level and is the centerpiece of Alaska's interior. Because of Denali's size, it generates its own weather, often meaning it is covered in clouds....only about 30% of visitors actually see the mountain. But with 3 nights in the park, this is your best chance to see the majestic mountain! Overnight for 3 nights at McKinley Chalet Resort.

**Day 3, Friday, June 23: Denali.** Today is a treat as you join the unforgettable Tundra Wilderness Tour. This 6-8 hour fully narrated sightseeing excursion takes you as far into the park as any tour operator goes, giving you the very best shot of seeing the mountain and Denali's iconic wildlife.

**Day 4, Saturday, June 24: Denali.** Because Denali National Park has so much to offer, you have an entire free day to explore. Relax around the town square or join an optional excursion, such as midnight golfing, ATV adventure or fly fishing.

**Day 5, Sunday, June 25: Board Cruise.** Enjoy some of Alaska's most spectacular scenery as you travel via luxurious domed rail cars from Denali to Whittier where you will board your home for the next week, the Nieuw Amsterdam. Keep your eyes peeled for Alaska's Big 5: grizzly bears, moose, caribou, Dall sheep and gray wolves.

**Day 6, Monday, June 26: Hubbard Glacier.** Spend today enjoying all Holland America has to offer on your day at sea. Whether it be hanging out at the spa, taking in a lecture by a Park Ranger or trying your luck in the casino, there is something for everyone on the cruise. This afternoon you will enjoy scenic cruising to Hubbard Glacier—North America's longest tidewater glacier.

**Day 7, Tuesday, June 27: Glacier Bay.** Close your eyes and take in the sounds—the creaks and groans of “living” ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale....this is Glacier Bay! Make sure to bring the binoculars to see glaciers, fjords, inlets, rivers, streams and wildlife galore on your 8-hour visit to Glacier Bay.

**Day 8, Wednesday, June 28: Skagway.** At the height of the Klondike Gold Rush, Skagway served as the primary gateway to the legendary gold fields...explore the colorful history, pristine wildlife and unrivaled natural beauty of the town. You have the day free to explore on your own or join one of the optional excursions, which include the White Pass Rail, sled dogs visit or culinary tour, just to name a few.

**Day 9, Thursday, June 29: Juneau.** This sleepy, misty capital city of 32,000 residents is the most remote and beautiful of the state capitals. Surrounded by water, forest and mountains, there is no shortage of activities. Optional excursions include salmon fishing, Mendenhall Glacier and gold panning.

**Day 10, Friday, June 30: Ketchikan.** Named Alaska's “First City” because it's the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, Ketchikan has long been an important hub for salmon fishing. This is also one of the best spots to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. Learn how to carve totem polls or enjoy a native dance show....the day is yours.

**Day 11, Saturday, July 1: Cruising The Inside Passage.** You will cap off your adventure with a full day of scenic Inside Passage cruising while enjoying the activities aboard Holland America. Sailing the Inside Passage offers opportunities to spot some of Alaska's most iconic wildlife, with humpback whales and orca playing the bountiful waters, bald eagles soaring overhead and brown bears lumbering on the shoreline.

**Day 12, Sunday, July 2: Vancouver and Depart for Home.** It is time to say good-bye to this beautiful part of the world. But if you are not ready for the adventure to end, ask your Burkhalter Travel Advisor about extending in Vancouver.
